REBUILDING TOGETHER/LINCOLN COUNTY’s Ramps-for-All program is designed to assist Lincoln County residents who, because of permanent handicap or temporary disability, require ramp access to their homes. The program is at no cost and is available without providing a financial needs assessment. It is available to homeowners and to renters who have their landlord’s written consent.

- Ramps are loaned by RT-LC and will always remain the private property of RT-LC. The borrower, whether renter or homeowner, will never acquire ownership interest in the ramp or any of its accompanying parts.
- Borrower may have use of the ramp and its component parts until such time as the borrower is recovered enough to no longer require use of the ramp, or until the borrower no longer resides at the home where the ramp is installed.
- Ramps are offered on a first-come-first-served basis. Supply is limited.
- The ramps are made of high-quality aluminum and use a modular design that enables them to be custom-configured for a wide array of settings. They are also very durable and virtually maintenance-free.
- RT-LC will provide, deliver and set up the ramp for the borrower and will return to the site from time to time to inspect the ramp and make minor adjustments if necessary. When the ramp is no longer needed, RT-LC will return to the site and remove the ramp and its component parts.
- An application by the borrower must be submitted and an Equipment Lending Agreement must be completed between the borrower and RT-LC. These documents are included in the following pages of this fact sheet and should be reviewed thoroughly.

For more information, email RT-LC at Ramps@RebuildingTogether-LC.org or call 207-380-5719.

Borrower(s) agree that he/she/they will never acquire or have any ownership interest in the ramp and its accompanying parts and equipment, and that the ramp and parts and equipment shall always remain owned by and continue to be the personal property of Lender. The ramp and its components shall never become or be considered affixed or appurtenant to the real property of borrowers or his/her/their landlord if borrower(s) are or become tenants.

Borrowers shall have the use of the ramp and its component parts until such time as he/she/they are not residing in the home. If or when Lender discovers or learns borrower(s) are not residing in the home, lender may take possession of and remove the ramp and its component parts and equipment.

another, successor contact person, who shall sign an addendum to this agreement or a new updated lending agree-
ment. Failure to establish a new contact person by such successor contact person signing addendum or new updated
lending agreement and furnishing their information shall be grounds for termination of this agreement and of borrow-
er(s) possession and use of the ramp and all its components.

Notice of termination by lender, contact person or borrower(s) may be given in an email to an address listed herein or

out notice to Borrower(s).
